Tips for completing your FAFSA Application Online

We strongly recommend you create an FSA ID (a username and password combination that allows you to sign your FAFSA® form electronically and utilize the IRS Data Retrieval System).

How do I get an FSA ID?

You can create an FSA ID by going to: <https://fsaid.ed.gov/npas/index.htm>

The process of creating an FSA ID consists of three main steps:

1. Enter your log-in information.
 - a. Provide your email address, a unique username, and a password.
2. Enter your personal information.
 - a. Provide your name, date of birth, and Social Security number (SSN).
3. Enter your mailing address.
4. Select whether or not you would like to register your mobile phone number for account recovery using text messages.
 - a. Provide your mobile phone number.
5. Select your language preference.
6. For security purposes, complete the four challenge questions and answers.
7. Submit your FSA ID information.
 - a. Agree to the terms and conditions.
8. Verify your mobile phone number. (This is optional, but helpful. This *verification* allows you to retrieve your username or reset your password without answering challenge questions.)
9. Verify your email address. (This is optional, but helpful. By verifying your email address, you can use your email address as your username when logging into certain ED websites. Also, we'll be able to notify you by email of changes to your account. This verification also allows you to retrieve your username or reset your password without answering challenge questions.)

Gathering the Documents Needed for the FAFSA

The FAFSA questions ask for information about you (your name, date of birth, address, etc.) and about your financial situation. Depending on your circumstances (for instance, whether you're a U.S. citizen or what tax form you used), you might need the following information or documents as you fill out the application:

- Your Social Security number (it's important that you enter it correctly on the FAFSA form!)
- Your parents' Social Security numbers if you are a **dependent student**
- Your driver's license number if you have one
- Your Alien Registration number if you are not a U.S. citizen
- Federal tax information or tax returns including IRS W-2 information, for you (and your spouse, if you are married), and for your parents if you are a dependent student:
- IRS 1040, 1040A, 1040EZ
- Records of your untaxed income, such as child support received, interest income, and veterans noneducation benefits, for you, and for your parents if you are a dependent student
- Information on cash; savings and checking account balances; investments, including stocks and bonds and real estate (but not including the home in which you live); and business and farm assets for you, and for your parents if you are a dependent student

Keep these records! You may need them again. **Do not mail your records to the Department of Education**

What is Academic Warning or Suspension?

SAP stands for
Satisfactory
Academic Progress

low 67%, this criteria is known as SAP! When on warning you will meet with the [Academic Success Counselor](#) located in Student Services and fill out a packet and find helpful resources!

Academic Suspension means for two consecutive semesters you have unsatisfactory academic progress! When placed on Suspension you will have to **“sit out”** for a specified number of semesters before you are able to return, but to request an early return you can fill out an [Academic & Financial Aid Appeal](#) before the deadline!

Academic Warning is your heads up to get your academic progress back on track! It happens when your *cumulative GPA falls below 2.0, OR your completion rate falls at or be-*

What do we mean by **“sit out”**?

When you are placed on Academic Suspension you have to “sit out” meaning you cannot return to school until the period is up OR your Academic & Financial Aid Appeal is approved. The “sit out” waiting periods are as follows:

1st suspension = 1 semester

2nd suspension = 1 calendar year

3rd+ suspensions = 2calendar years

*Summer does not count as a full semester

How do I get through the [Academic & Financial Aid Appeal Process](#) successfully?

The Academic & Financial Aid Appeal is very simple. If you are on suspension and wish to return to school the following semester, or you have sat out the required time, you must fill out the Appeal packet with the [Academic Success Counselor](#) (ASC). The ASC will take the appeal to the PASS Committee for review and decision, the PASS Committee wants to see how your situation is different than before so you can be successful in school again!

Will withdrawing from all classes affect my Financial Aid Award?

Yes, If any of your aid was paid by federal funding, the Financial Aid Office makes a percentage of repayment to the federal government, and you are responsible for paying that remaining bill! Which you MUST settle/work out a payment plan with LLTC before you can be registered for the next semester.

Will my suspension or warning affect my Financial Aid Award?

Most likely, it all depends on where your awards are coming from. Being on suspension could make you ineligible for some scholarships that require a specific GPA, or other SAP guidelines that are not being met. After your Appeal has been accepted, you will be eligible for federal funding, Minnesota Indian Scholarship, and Minnesota State Grant in respect to your FAFSA calculations.
